◆ DAILY SUBLIME ◆

Hi *Ryan*

A PERSONAL NOTE

I was watching your video "Fear is unnecessary" tonight and I had to reach out. I cycle through different positions regarding faith. Sometimes I see it, sometimes I don't. I realized recently that the shift never comes from logic, but from a shift in observation.

I'm learning to generalize object permanence to the concept of God. If I stop seeing God, it doesn't mean He isn't there; it just means I need to look again. And I think there is an art to seeing.

Based on that, I recently created a project called Daily Sublime.

◆ THE PARTNERSHIP ◆

I am looking for a partner to connect this philosophy with the right community.
